SUBMISSION OF TRANSLATION OF IPER

Sir:

Applicants submit a translation of the International Preliminary Examination Report. The Notification of Transmittal states that the Internal Bureau will only supply the United States Patent and Trademark with a copy of the translation upon request. As the Examiner might find the translation material to the examination of this application, Applicants supply the translation. As the information supplied here is a part of the PCT process, and the translation was mailed to Applicant on December 16, 2004, less than one month ago, no fee or further statement concerning this Submission is required and none is applied.

I hereby certify that this correspondence is being deposited with the United States Postal Service with sufficient postage as First Class Mail in an envelope addressed to: Mail Stop PCT, Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450, on January 14, 2005:
